This is your chance to tell the university why you are applying, what you hope to do after graduation, and why they should want you as a student. Admissions tutors will want to know why you are interested in your chosen subjects, but they will also want to see that you are ready for university life. It is also an opportunity to tell the University any other information about yourself which you feel is relevant to your application and which has not been included elsewhere in the application form. A good personal statement could make the difference between being offered a place or being rejected.

NOTE N – APPLICATION FEE

When you send us your application, you must also send the non-refundable application fee of GB£25.00. Your application will not be processed without this fee. The fee can be paid by cheque, postal order or banker's draft made payable to the 'University of Abertay Dundee'.
