She lives life freely, without Any concrete plans. And That's the way she likes it!

Despite this, she's a very Emotional soul, almost too Emotional as she tends to get Attached to things to quickly And is easily swayed by a Sob story.

THE REBEL SCHOOLGIRL...

VICTORIA V HARRIS

NOAH DAVIS THE BAND'S CREATOR...

Noah has three favourite past times, and all Of them include video games. He spends Almost every second of his day with his head Down, playing games on one device or another.

He's not anti-social, but not a complete social Butterfly either. He's a perfectly average, Mildly boring but wildly passionate individual When it comes to music.

Throughout the story he finds himself Being dragged into weird situations by His band mates and is slowly Stretched thin emotionally by Their antics.

He cares a lot for his friends, Even if its only conveyed in Passive aggressive remarks.

THE CALM, COOL, GROOVY...

CHERRY HART

Cherry is the mom of the group. If that mom was self-absorbed, lazy and love-crazy.

Typically, she is a calm and collected individual who seems to have her life together. She's at college, she has a job, she has a partnership with Circlespace™. But the second she gets a new partner in her life, all bets are off.

She's a woman with rose-tinted glasses when in love, and thinks about nothing else. Typically a realist in situations, she really embodies 'two sides of the same coin'.

But when it gets down to it, she's the one you can rely on. Mostly because there aren't many options.

INTERVIEW!

I hear you have a large social media following. How does that play into your band's popularity?

Our only fan is Noah's mom and she hates our music, so. I'd say it doesn't.

She snaps a quick selfie and uploads it to social media.

But they're counting on me to play bass, and they're just kids so I figured I'd humour them and stick around until they gave up. Look at their little faces, how can I say no?

Isn't Johnny the same age as you?

Manchild.

Yeah. That's fair.

I also hear you have a rather... interesting romantic life.

Yeah... I just went through a breakup.

Oh... I'm sorry.

It's okay, Johnny will get over it. Besides, he was annoying my girlfriend.

Oh! You have a girlfriend now?

Two girlfriends.

What... This is so unfair. I can't even get one.

AND THEIR RIVALS...

THE RIVALRY!

CHRISTOPHER

MAYA

HELENA

HEAD CHEERLEADER, HOMECOMING QUEEN, PART TIME MODEL...

HELENA ST. CLAIR

She's the teen queen, and she thinks everyone Wants to be her. She's vain, arrogant, self-Centred and, like, so cool! Helena loves to be In control, because that way she can use it Against you. There's nothing she loves more Than a little drama.

INTERVIEW!

This is just a warning. This Isn't much of an interview. She wouldn't get off of her phone To talk to me.

Yeah that party was craaaaaazy. I Heard from Becky that Natalie told Rina that Bobby and Steven took Amy's phone and they called Thomas While he was at Martha's but Amy didn't know about it and Courtney had To tell her in front of Lee and Mari and It was so embarrassing because Thomas is Mari's boyfriend and she Was so mad, I seriously think she was Gonna punch that girl in the face I Kinda Wish she did it would have been totes hilare did you ever find your Hairbrush after all? I bet that creep-a-Zoid Lena took it she's always stealing

NICK LAWSON

Nick Lawson is your all-american, just-about-perfect, guy. He's smart, kind, physically fit and Super outgoing. And it annoys Birthday Bash to No end. He's so disgustingly just... Just...

Mr. Devil cracks his knuckles.

Ms. Angel's phone goes off and She picks it up, throwing it at A wall.

KERONEKO

NEKO

KERO

KERONEKO is 123CARTOON'S most popular TV show of all time! It follows the story of an adorable cat and frog duo as they venture space, facing off against various enemies of equal adorable fluffiness! The show has a cult following amongst older fans for its unique animation style and fun writing, as well as spawning a convention based around the franchise. Recently, there was controversy surrounding the show as they depicted a particularly meta story arc where a band called 'Birthday Bash' got trapped in the TV, traumatising children across the nation. The show is currently on hiatus.

INTERVIEW!

I'm here with the voice actors for KeroNeko, uh, what are your names again?

Bibidi Bibidi Nyoyoyo Libidi!

Frog Croak

... Am I going to have to put up with this all day?

Nyahaha! Ruuuude.

Seriously. I'm here to interview you as a person. Not your character. Please, stop this nonsense.

The voice actor that plays Neko lights a cigarette and relaxes in his chair.

Finally! I can relax and be myself. I'm so sick of playing a stupid kids show character.

...Anyway. How did the network manage to enter a fictional kids show character into a real life battle of the bands contest?

Frog Croak Part 2

I'll translate. He said 'What do you mean?'

They guest starred the band Birthday Bash on one of their episodes, it was kinda meta. The band kept screaming 'Help! Get me out of the TV!', as if they were transported there somehow... Then they battled Kero and Neko in an epic guitar-shredding showdown! That must have been a fun recording session!

Ridiculous. We never recorded any such episode like that.

Then how did they...

The X-Files theme plays, followed by the sounds of people screaming for help from the TV.

In 1842, The Mines Act becomes -

STOP! That isn't what she asked, ya Hunk a' junk! Sorry about our friend, He lost his personality core.

What is a personality core?
Where did they lose it?

KYAKYAKYA!! This hoo-man doesn't know what a personality core is!! That explains why she is so bland!

Huhyuhyu. And Ugly. Very ugly.

Huuuh... perhaps we could get back to My question? Where did they lose the Core?

Kyakyakya... Well, you see... It was our First performance, and it got sort of... wild. we used to be animatronics for children's parties at a pizza restaurant, but... those hoo-man children... they were terrible...

They would kick us, and cry when they saw us... they were so mean! (•'^(•)

This little brat Girl Scout stole J-15's personality core! All because they wouldn't dance for her!

Have you tried to get it back?

No. J-15 was a bad robot anyway. They scared all the kids away, they would run screaming. But since we started our band, people are screaming FOR us and not because we're holding them by their necks!

Now I enjoy hearing the hoo-mans scream! (•'•)

J-9's hand turns into a multi-tool pocket knife and I grab my bag and run as fast as I can.
