Dear [REDACTED]

I refer to your Freedom of Information request received on 14 July 2014 about print and scan solutions.

I can confirm that the University holds all of the information requested and is releasing this to you in full.

The University's Response

I am interested in your print and scan environment. I was wondering if you could answer the following please.

1) How many employees does your organisation currently have?

579 employees, plus 286 casual hourly paid employees.

2) How many students do you currently support?

4690.

3) Who supplies your multifunctional devices (main printer fleet)?

Canon MFD

4) How many devices do they supply?

49

5) What BRAND device/s do they supply (Canon, Ricoh, Xerox, Kyocera, Dell, Samsung, HP, Epson, Toshiba, Konica Minolta, etc)?

Canon

6) Do they also supply print management software?

Yes

7) Do they also supply any additional scanning software?

Yes

8) When does the contract for your print fleet expire?

31 May 2019

9) What PDF solutions do you pay for (not free readers like Adobe)?

A very small number of staff within one unit use Nuance Professional software (for electronic preparation and distribution of committee papers; not specifically for scanning and printing).

Otherwise, PDF is part of the Canon UniFLOW printing solution. The Canon Managed Print Service does not include separate PDF licenses. PDF printing and scanning is included in our overall solution provided by Canon without the need for any separate PDF licenses.

10) What Document Management/Document Repository/s do you use within the organisation?

SharePoint

11) Who is the contact within the organisation responsible for the print fleet?

ICT Operations Manager

This concludes the University's response
