

BA with Honours in Sociology – 2018 entry

Duration of programme: 4 years (where students join the programme in year 1)

Award on successful completion: Bachelor of Arts with Honours

Location of delivery: Abertay University, Bell Street, Dundee

Composition of the programme: 120 SCQF (Scottish Credit and Qualifications Framework) credits in each academic year, delivered in modules of 20 credits each, with 3 modules taken in term 1, and 3 in term 2 each year. In years 1 and 2, students have the opportunity to take modules outside their main subject. The final year includes a 40 credit independent project.

Assessment methods: Assessments include essays, reports, critical reviews, case studies, examinations, presentations and a final year dissertation. Around a third of the course is assessed through examination, although the precise proportion will be dependent on each student's module choices.

Academic staff: This programme is delivered by staff in the Division of Sociology in the School of Social and Health Sciences. Staff profiles can be viewed at <http://www.abertay.ac.uk/studentlife/schools/shs/staff/>

Developments in the discipline

The curriculum within all Sociology modules, including core modules, is expected to evolve over time, to maintain a real world connection. The discipline of Sociology is continually evolving, with most new developments coming in Social Theory. However, the key subject disciplines are unlikely to change. New developments are readily incorporated into the core curriculum without having to fundamentally change the module structure.
