

Academic Regulations

The Academic Regulations set out the requirements and expectations for undergraduate, taught postgraduate, and research degree programmes.

The Academic Regulations govern the actions that are taken to regulate the quality of provision and standards of awards.

The Academic Regulations are approved by Senate and are binding on all staff and students.

The Support Enquiry Zone is the first point of contact for all student enquiries.

The Academic Regulations are set out in the following documents:

Session 2019/20

[2019-20 Academic Regulations for Undergraduate Programmes](#)
